Dressed in their own National dress and playing traditional musical instruments, for the first part of the concert, in addition to the special singing and music, the Group will be sharing some of their country and culture. The second half of the concert will focus on the tremendous way God has been working in their country and the challenges for being a witness for the Lord. All are invited to attend this free cultural music and missions event. There will be a free will offering taken at the end of the concert.
