In today's bible reading Jesus again uses a parable or story to explain the Kingdom of God. Just like last week the farmer has planted the seeds but now the ones that are growing have weeds that have started to grow as well. The workers want to dig them out but the farmer says "No, we will sort out the weeds from the wheat at harvest time". He knew that if he pulled them out now it would damage the roots of the good plants. Jesus explains that... "at the end of the age. God will send out his angels, and they will weed out of his kingdom everything that causes sin and all who do evil. They will throw them into the blazing furnace... "

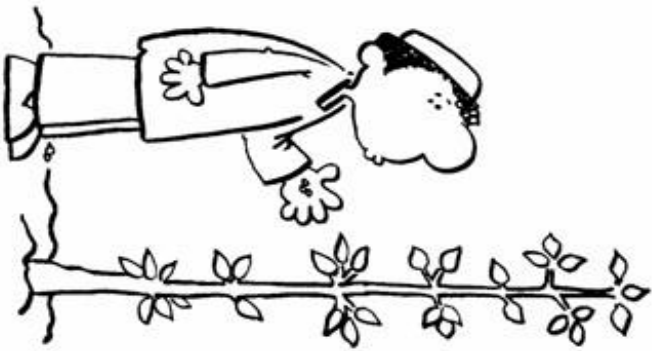

Do you think Jesus shows us a good picture of his kingdom?

# The Wheat and the Weeds

Help the owner of the field separate the wheat from the weeds.

START

Jesus said that the Kingdom of God was like a man who sowed his field with quality wheat seed. While he was sleeping his enemy crept in and sowed weeds. Rather than risk hurting the wheat he chose to let them grow together until harvest time. Then the reapers gathered the weeds to be burned and gathered the wheat into the barn.
