In our bible today, Moses goes up the mountain and God gives him the Ten Commandments but when he comes down the people have made a gold calf and said it was their god. God was angry, he'd rescued these people and they decided to put their faith in something else, a statue! Moses talked to God and asked him to spare the people. Do you think He did?

gold.

Moses went to the top of the mountain where God gave him the Ten Commandments. He was gone a long time and the people began to think that he was never coming back. They gave Aaron their gold jewelry and he built an idol for them to worship instead of God.

Aaron made a golden calf... see if you can help him find it!
