Holiday Club 2018

It's recruitment of

helpers time. If you would like to be involved please give any dates of holidays to Rachel (Cameron) so she can pick the week that suits most people. Also, while she is very willing to front the week, she is looking for someone who can take on the role of **organiser** so she can concentrate on running the sessions. Thank you.

General Data Protection Registration

New legislation being introduced in May applies to personal data – information relating to an identifiable individual – and how it is obtained, used and stored. This has implications for the church and a policy is being written to ensure that we comply with it. More detailed information will follow. Please do

not use names (as these can identify people) when putting requests in the Prayer Book.

There are some technical issues with Steve sending out **requests for prayer to the Prayer Chain** by text so a

Whatsapp group has been set up. Please use the link below to join this group. If you are unable to do this, or would prefer to continue to receive text messages, please can you let Colin Watts know.
