It'll soon be time indulge once again in homemade scones and delicious strawberry jam. Yes, it's the **21st Annual Rainbows, Brownies and /Guides Cream Tea**

Info & REQUESTS

Sadly the **Party in the Car Park** is over for another year and If you couldn't get there it's a pity because you missed a thoroughly good afternoon which was greatly enjoyed by all. Thanks to Pam's brilliant organisation and a very willing band of helpers it all went very smoothly and we were able to welcome lots of members of the Community.

A very big **Thank you** from the Fabric Committee to all of those who came along to help at the **DIY Day** on June 4th. Many jobs were completed, in particular the decoration of the Worship Centre which was the priority this year. However not all jobs were completed and so there is a list of the outstanding ones on the notice board in the foyer. Please feel free to select a job, put your name beside it and complete it at your convenience.

Felicity and Maggie would like to ask for some **help with the monthly Fairtrade stall**. If possible they would like to get a small team together so that there are always enough people to collect and return the stall to Warrington market and to set up and man it at church. They would really appreciate any help you can give so please see them if you would like to help support this worthy cause. Thank you very much.

Claire, Marina's daughter has decided that the time is right for her to move on from Low Newton Women's Prison. However she will be staying with Junction 42 as part of their support team in Newcastle. Claire remains committed to raising 50% of her salary so support from Thomas Risley is greatly appreciated as she seeks to see lives transformed by the hope of the gospel.
