## Info & REQUESTS

Sadly the **Party in the Car Park**

is over for another year and if you couldn't get there it's a pity

because you missed a thoroughly good afternoon which was greatly enjoyed by all. Thanks to Pam's brilliant organisation and a very willing band of helpers it all went very smoothly and we were able to welcome lots of members of the Community.

A very big **Thank you** from the Fabric Committee to all of those who came along to help at the **DIY Day** on June 4<sup>th</sup>. Many jobs were completed, in particular the decoration of the Worship Centre which was the priority this year. However not all jobs were completed and so there is a list of the outstanding ones on the notice board in the foyer. Please feel free to select a job, put your name beside it and complete it at your convenience.

Felicity and Maggie would like to ask for some **help with the monthly Fairtrade stall**. If possible they would like to get a small team together so that there are always enough people to collect and return the stall to Warrington market and to set up and man it at church. They would really appreciate any help you can give so please see them if you would like to help support this worthy cause. Thank you very much.
