Many farmers and workers who grow our food aren't getting paid fairly. Fairtrade exists to change this, but we need more people to know why choosing Fairtrade really matters. Choosing Fairtrade means farmers get a better deal for what they grow. This leads to a better and more stable income and can help them break the cycle of poverty that they are trapped in. Please buy Fairtrade. THAT'S WHERE WE COME IN!!

TReats Coffee Shop supports Fairtrade and on **March 9th** there will be a Fairtrade Stall to mark **Fairtrade Fortnight**

There will be a **Fairtrade Stall** after morning service on **12th March** instead of after Family Service the following week. We hope that this does not cause any inconvenience but if

there is anything you want and cannot get it then, please ask Felicity or Maggie who are very happy to bring it another day.
