## INFO & REQUESTS

**Easter Cards** for the community. Have you got a little time to **deliver** some? There is **a list on the notice board** in the foyer so please put your name down if you can help. Thanks

Over the last three months it has been noted that lights have been left on, fire doors left open and heaters left on in the church over night. This is a waste of energy and a considerable cost to the church. Please could all leaders and users make sure before leaving the building and locking up that all lights are turned off, all heaters and radiators turned down to 1 and all fire doors, including serving hatches are closed. Thank you, the Fabric Committee.

There are numerous items in the Lost Property Box can you please check if anything belongs to you and take it away as the contents will be removed in two weeks time and given to a charity shop. Thank you.

Helen and Maxine are organising a bowling trip and food for our young people on the 7th May after the Sunday service. More details to follow. They I have more info and will be putting a letter together for parents. Y6 and older
