INFO & REQUESTS

A big thank you to everyone who donated so generously in providing gifts for the homeless last Sunday. The items will be given out to our homeless friends over the Christmas weekend. Thank you once again for your generosity.

Help is needed after TReats on **Thursday 21st** to clear the worship centre in readiness for the school Christingle service on Friday morning. **Help** is also needed on **Friday 22nd** Dec. around 4pm. to help set up the church in readiness for our own Christingle Service. **Please come along if you can help.**

You will have been given a **Christian Aid envelope** as we are again supporting their Christmas Appeal.

Your donation, in the envelope, can be brought back to church anytime over Advent and placed in the collection bags. This is a **separate appeal** to the jar on the communion table. Thank you.

Through Advent we will be **supporting Christian Aid's special appeal** in respect of children in South Sudan and Burkina Faso who are dying of hunger every day. Droughts and floods have devastated rural farming communities who no longer have enough food to survive. The UK government have agreed to match pound for pound any funds raised by Christian Aid in connection with this disaster up to 5th February.

The large jar on the communion table will be there each Sunday through Advent for you to drop in any donations. Thank you.

You will find again this year our church "**Christmas Wall Card**" in the foyer for you to pin your greeting cards on to the rest of the church. Maybe the money saved on not sending cards to everyone could be dropped into the Christian Aid Jar on the communion table.

Similar to last year "**Room at the Inn, The Y Project**" (Warrington Homeless,) are asking if you would purchase a gift card that will secure a homeless person a bed for a night.

The cards are £1.00, £2.50 or £5.00 each, please see Rhona if you would like to purchase one.

Looking after our church building.

As we get towards winter and darker nights please could we ask all users of

the building to check before locking up that the following are carried out;

- All hard floors are swept and carpet areas vacuumed that you have used.
- All fire doors (including serving hatches) are closed.
- All radiators are turned down to 2.
- All lights are turned off (don't forget the toilets).

Your help would be appreciated to keep the building safe and ready for the next

user and to minimise energy costs. Thank you, The Fabric Committee.
