

Issue 1

Library Newsletter Summer 2011.

Hi, everyone.

This is an exciting time for me and us all. At long last, after months of hard work and consultation, the library is ready to open.

Going out and getting the new and second hand books was very satisfying for me and made me feel like a child let loose in a sweet shop. Particularly pleasing was the looking through and choosing of the books for the children's section. Many enjoyable hours were spent going through the pages, lifting the tabs and enjoying their contents.

Choosing books has been challenging as I have tried to cater for all ages. Donations of books and/or money have been gratefully received and have helped swell the library book numbers.

The official opening by Revs Andrew and Sally Willet is going to be on :-

Thursday the 8th of September at Treats Coffee Shop.

Hope to see you all there. God Bless.

Lynne
